The hotel's strategic location

Welcome to Tel-Aviv – the city that never sleeps.

The Berdichevsky Hotel, located at 14 Berdichevsky Street, is a boutique hotel in the heart of Tel-Aviv. It is just a short walking distance from the city's best and most interesting cultural and entertainment centers:

Rothschild Boulevard and the White City

The hotel is located a mere 20 meters from Rothschild Boulevard where the best restaurants in Tel-Aviv and popular bars can be found. In 2003, UNESCO proclaimed Tel Aviv's White City a World Cultural Heritage site. The White City is the name given to some of Tel-Aviv's older areas, which include over 4,000 buildings designed in the unique International architectural style. Many of the buildings on Rothschild Boulevard are considered important and central in the city – as a cultural center and as a business center in Tel-Aviv.

The Tel-Aviv Museum

The Tel-Aviv Museum of Art is one of Israel's important museums. It displays collections of Israeli art, modern art, trendy art, photography, design and architecture. The museum's new wing is housed in a spectacular building designed by the architect Preston Scott Cohen and is a work of art in itself.

The Cinematheque

The Cinematheque on Ha'arba'a Street is the home of the Israeli and international film scene, and is located a mere 200 meters from the hotel entrance. In the vicinity are countless restaurants at a price level enabling everyone a perfect experience.

Galleries and art

For art lovers, we will suggest galleries located in the vicinity of the hotel, as well as a short and pleasant stroll to the Tel-Aviv Museum of Art and the Israel Opera House. You can enjoy a light walk from the hotel to each of the culture and art centers, with no need for a taxi or a private car.

Sarona Complex

A short and easy walk away is the Sarona Complex, a newly renovated Templer Colony offering stores, restaurants, picnics on the grass, tours and a visitor center. The renovation of the buildings and the green environment create a special atmosphere.

Shopping

Near the hotel is the Azrieli Shopping Mall, the largest mall in the city.
Dizengoff Street – The main street of Tel-Aviv is also located a short distance from the hotel. The street offers the perfect shopping experience for Israeli designer products alongside leading international brands.

The beach and the Neve Tzedek neighborhood

Tel-Aviv's amazing beaches and the picturesque Neve Tzedek neighborhood are located a short walk or a 5 minute taxi ride away.

The boutique hotel is situated in the Tel-Aviv city center near the city's best restaurants, near the National Theatre, the Tel-Aviv Museum, and walking distance from the White City attractions and entertainment venues, Rothschild Boulevard, shopping centers and the beach.

The hotel rooms

The 23 hotel rooms have a unique design, Classic European styling with attractive dramatic touches. Specially imported Art Deco lights and trendy art objects accessorize each room.

At the Berdichevsky Hotel you can find a respite from the noise of the vibrant city. Cuddle up in a quality bed covered with Egyptian cotton sheets, and to help you feel at home you will find a robe and slippers waiting for you, ordered especially for your comfort.

For businessmen staying with us and attending meetings (without having to waste time in traffic jams), we have equipped each of the hotel's rooms with high-speed Wi-Fi and secure internet access, a comfortable desk, phone, a safe and a Flat Screen LCD TV with a variety of channels from around the world. In addition, you can enjoy an extensive selection of movies, music and special channels – for an additional price.

Bell Boy Cocktail Bar

The jewel in the crown:

In June 2014, we launched our new cocktail bar: Bell Boy, located on the Lobby floor of the hotel and one of the most talked about bars in Tel-Aviv. The bar is covered in wine-colored velvet curtains, decorated with warm-light coal lamps, leather sofas and oil paintings, a bar of granite and brass, behind which are glass bottles of unique home-made flavor essences.

Bell Boy offers a selection of designer cocktails, said by the local press to be no less than “the best, the most original and the wittiest in Israel”. The cocktail menu we offer uses an impressive variety of home-made infusions and flavor essences, served alongside a high quality food menu, created by the international chef and designer: Ido Garini – which promises an exceptional gastronomical experience in an unforgettable atmosphere.

Bell Boy welcomes hotel guests with a special cocktail, because as far as we're concerned, it's always 5 o'clock...somewhere in the world.
