# Our guests knows best

## The best hotel in Jerusalem!

“As always, the Inbal is like a family for us. We had a very good time with our children and our grandchildren — thanks to the excellent service of the hotel and the staff that always provides service from the heart! The food was amazing , the room was lovely, clean, big with a large fruit plate on the table. The business lounge, as always, is cozy and nice.

We will continue to be your most returning guests.  
Thank you so much!”
