

An aerial photograph of a wide, sandy beach in Tel Aviv, Israel. The beach is populated with many people, some sitting on towels or blankets, others walking. Several small, dark, rectangular structures, possibly lifeguard stands or beach huts, are scattered along the shoreline. The ocean is a vibrant blue-green color, with gentle waves lapping at the shore. In the distance, the city skyline of Tel Aviv is visible against a clear blue sky with a few wispy clouds. The overall scene is bright and sunny, suggesting a pleasant day at the beach.
